Volunteers Needed

To serve all THINK members better, the Board of Advisors needs your help. We want to continue to provide you with the services, resources, and activities that we have been providing over the years, and introduce a few new ones as well. In order to accomplish this, we need volunteers willing to help in some of the areas below. This will ease the workload for the Board of Advisors as well as provide many opportunities for all of the members of THINK to help the organization as well as have some fun in the process.

Listed below is a list of areas where we need volunteers in order to accomplish this goal. Whether you are a family just beginning the homeschooling journey or are veterans, we urge you to offer your talents and enthusiasm by serving your fellow homeschoolers. As the saying goes – many hands make light work! Thank you in advance for your support.

Please check the areas you would be willing to serve:

- THINK Library Assistants** – As an organization, we have many wonderful resources which need to be used by our members. If you are willing to assist the librarian during the meetings then this is for you. One prerequisite – you love books.
- Childcare (for monthly THINK meetings)** – Be willing to provide and/or assist with child care at the monthly meetings. This is a paid position.
- Kid's Club** – We are looking for people who are willing to help with and/or run a kid's club during our monthly THINK meetings.
- Spelling Bee Judges** – We need several volunteers who are willing to be judges during the spelling bee at the November THINK meeting.
- Science Fair Coordinator** – We need a coordinator in order for the science fair to continue.
- Science Fair Judges** – We need six volunteers who will be at the Science Fair to judge. Even if your child is in the science fair you could judge a different age group.
- Talent Show Judges** – We need several volunteers who will be at the Talent Show to judge. Even if your child is in the talent show you could judge a different age group.
- Field Trip Coordinator** – We live in an area with great potential for exciting adventures for school field trips. Many families want to go on field trips, but we need an energetic person to help them get going.
- Field Trip Organizer** – We need people who are willing to organize just one field trip this year. If we have a number of people who would be willing to organize just one field trip, we would have many more options for our members to choose from.
- Monthly Meeting Set up/Clean-up** – We need help preparing for the meetings at 6:00 p.m. and cleaning up at the end of the meetings. If any groups like boy scouts or American heritage girls need service hours or projects, we would be happy to have the help. Any family who would like to volunteer to help would be appreciated!
- Small Group Discussion Leader** – At least two of our meetings this year will consist of small group discussions. We need leaders to facilitate these groups. If you like to share from your own experiences and lead groups, this is for you.
- Curriculum Reviews** -- Read a book from our resource library or a curriculum you have and submit a review for the newsletter.
- Newsletter guest columnists** – Looking for talented writers. This can even be a child who has written a wonderful story or paper and wants to share. Remember anything submitted is property of THINK and subject to the editor's subjective decision.
- Field Day Volunteers** – We need a number of people who are willing to help in some way at the field day in May this year. We need help with registration, running games, giving out ribbons, tallying the points for awards.
- New Homeschooler Support** – We need those who have a desire to help new homeschoolers. We are looking for people who are willing to email and/or call some of the new homeschoolers that contact us looking for information about homeschooling in general. Also, we need people to help us with some of the New Home Schooler Meetings that are held from 6:30-7:00pm before the monthly THINK meetings.
- Symphony Coordinator** – In order to get lower rates to the symphony, we need to buy tickets as a group. We need some to coordinate this.
- THINK Board Support** – The THINK Board of Advisors is always looking for people to help with various projects and administrative tasks that we are working on. If you have a desire to be more involved with the administrative details of THINK but full commitment to being on the board for whatever reason is not good for you at this time, we still welcome your help. Don't worry, we will not overload you. We will publish a list of what we need help with and you can choose the projects(s) you would like to help with.
